

Amplify 2022 Agenda

Monday, October 3rd

7:30am - 9:00am

Registration Open

8:00am - 9:00am

Attendee Breakfast

9:00am - 10:25am

Opening Keynote with ESRI's Brian Cross

Kick off the conference with our first keynote speaker, Brian Cross! Brian Cross is the head of the Professional Services division at Esri and a member of Esri's corporate management team. Brian and his team strive to evolve and highlight new patterns of GIS, creating lighthouse examples of GIS across many industries, and showcasing the latest generation of technology.

10:35am - 11:35am

Ascend: Help Desk/County Topics Day 1

Refunds, Property Splits/merges, Cashiering Functions and Cash Drawer Sessions that include reversal process. Any other topics requested.

Speakers: David Skillin, Kurt Layman, Joy Vang

Aumentum Tax: User Profile & Role Setup (All Versions)

Refresher course on security functionality in prior versions of Aumentum and a glimpse at improvements made in all versions of Aumentum Tax.

Speaker: Elaine Guntz-Overdorf

Aumentum Technical: Creation of Data Services in Platform

This session will demonstrate the creation and registration of a stored procedure as a custom Data Service and show how to make a Data Service secure when it contains sensitive data. The demonstration will conclude by executing the Data Service in Aumentum to export the results.

Speaker: Leon Smit

Aumentum Valuation: What's New & What's Next?

An overview of new features released since our last Amplify and a review of our Roadmap for 2022 and beyond within Aumentum Valuation; Case Management, Records, Real Property, Personal Property, and Assessment Administration modules.

Speaker: William Pleake

customCAMA: What's New? What's Next?

A review of enhancements made this past year, plus upcoming plans for customCAMA development.

Speakers: Debbie Bush and Stephen Dunagan

10:35am - 11:35am

ProVal: A Year in Review/Journey Map

A look back at release content since last Amplify, with a discussion of future enhancements.

Speaker: Victoria Cole

Recorder: What's New in Recorder?

New features in the past year plus what we are currently working on.

Speaker: Marlys Gardner

11:35am - 1:00pm

Lunch Break (*on your own*)

1:00pm

Tech Lounge

Open daily after lunch and the mid-day keynote, the Tech Lounge features stations to check out some of our offerings and speak to members of the Aumentum development team. Interact with Aumentum staff on these topics and any other questions you may have: - ODS/Analytics - GIS - Reporting - Tech Lab UX/ Usability.

1:00pm - 2:00pm

Ascend: Roadmap

The future of Ascend and its modules. Product updates in the coming year.

Speaker: Nicole Severance

Aumentum Tax: Washington Excise Tax/REET (Platform)

Interactive session to review design and get feedback.

Speakers: Paula Leal & Hani Bahabeel

Aumentum Tax: California AB8 Processing (Platform)

Join Thomas Parks as he provides an overview of the AB8 process in Aumentum and how to balance values.

Presenter: Thomas Parks

Aumentum Tax: Field Enforcement Processing (Platform)

See what has been developed to help enforcement officers manage delinquent cases in Aumentum Platform.

Speaker: Kendall Caballero

Aumentum Technical: Workflow Roundtable for All Versions

Join us for a discussion on the future of Aumentum's Workflow, applicable to all versions of Aumentum.

Speakers: Aumentum Technical Team

1:00pm - 2:00pm

Aumentum Valuation: Comps, Comps, Comps

The market approach is an essential component to any valuation system. Being able to generate comparable sales using proper adjustments, selection criteria, and weighting are sometimes confusing to set up. This session will provide some best practice considerations in using regression-based adjustments in the market approach, as well as setting up adequate weighing and indexing for selection in deriving a final market indicated value for a subject property. Other market variable considerations will also be discussed and how they can be applied in the approach. This session will be the follow up to the Demystifying Regression session on applying regression-based adjustments in the market approach for Aumentum Valuation.

Speakers: Daniel Fasteen, PhD and Steve Hansel

ProVal: Data Schema Review - How to Create Views & Utilize Fields in Reporting

A look at the ProVal schema, and how to utilize it when creating custom views and writing custom reports.

Speakers: Victoria Cole, Kevin Lauer

Recorder: Training - What's New?

End-user training for use and configuration of new items presented in the "What's New" session. Training manuals will be provided.

Speaker: Stacey Myers

1:15pm - 2:00pm

customCAMA: MLS How To's

A County review of how Arapahoe County uses MLS in customCAMA.

Speaker: Rick Hein (Arapahoe County)

2:10pm - 3:10pm

Aumentum Tax: What's New & What's Next?

Take a look at what has been delivered in Aumentum over the past year and get a glimpse of upcoming changes.

Speaker: Paula Leal

customCAMA: Panel Discussion on Parcel Maintenance

Join a panel of counties on a discussion that includes Parcel Maintenance and more!

Speakers: Teresa Pulley (Duval FL), Sue Sterrett (Jefferson MO)

2:10pm - 3:10pm

ProVal: Migration Path

A discussion of the path forward to Valuation from ProVal.

Speakers: William Pleake, Victoria Cole

Recorder: LRMS Roadmap

Presenting the Roadmap for the coming year as well as a discussion on possible candidates to work on next.

Speaker: Marlys Gardner

3:10pm - 3:45pm

Refreshments & Sponsor Bingo in Exhibit Area!

Join us for refreshments in the Exhibit Hall and check out some of the offerings that our sponsors have to increase productivity and efficiency in your office!

3:45pm - 5:00pm

Recorder: Industry Trends & Current Legislation Roundtable

There are always new trends in the Recording Industry and new proposed legislation. Come discuss what others are experiencing and find out what may have support!

Tuesday, October 4th

8:00am - 9:00am

Attendee Breakfast

8:00am - 9:00am

Registration Open

9:00am - 10:00am

Tuesday Morning Keynote: Bob Layton

One of the comics industry's true visionaries at every level, creator, writer, artist, designer, and entrepreneur, with over 5000 comic book credits to his name, Bob Layton has successfully migrated from comics to other media, including television, animation and feature films. If you've seen the Iron Man movies, then you're familiar with Bob's work as the DVD extras make clear. Bob reinvented the Iron Man comic in the late 70s, taking it from near-cancellation to one of Marvel's all-time bestselling series. The classic Iron Man story "Demon in a Bottle" was recently voted "one of the top 20 comic stories of all time".

BobLayton.com

10:00am - 10:15am

Break

10:15am - 11:15am

Ascend: Help Desk/County Topics Day 2

Ideas for new user training, training manual review and specific reporting questions. Any other topics requested.

Speakers: *David Skillin, Kurt Layman, Joy Vang*

Aumentum Tax: Best Practice Review for All Versions

Join your peers for this knowledge sharing session geared towards Aumentum Technologies and our customers sharing the best way to accomplish tasks in their offices.

Speakers: *Chris Laxson, Doug Storaci*

Aumentum Technical: Database Tips & Tricks

This session will share tips and tricks and lesser known features of SQL Server to allow to database engine to run more efficient. Tips include how to detect and reclaim unused disk space and maintenance hints to improve database performance.

Speaker: *Leon Smit*

10:15am - 11:15am

Aumentum Valuation: Back to the Future of Valuation

One of the main priorities for Aumentum Valuation is to upgrade our Valuation screens! We're looking into new technology in revamping our screens to be more GIS-centric, efficient, contextual, and more user friendly. This session will be an interactive session where we discuss some of our ideas, some designs, and solicit your feedback and ideas! Come be a part of the Aumentum Valuation future!

Speakers: Steve Hansel and Daniel Fasteen, PhD

customCAMA: ARCGIS & JS GeoAnalyst Functional Overview

Overview of JS GeoAnalyst integration with ARCGIS and customCAMA.

Speaker: Kevin Schulte

ProVal: Market & Sub-Market Functionality - A Peer Driven Review

A look at how a ProVal jurisdiction utilizes Market/Sub-Market functionality presented by Hamilton County.

Speakers: Kim Powell, Scott Bernhardt, Kevin Poore

Recorder: Training: Fee Setup & Receipt Adjustment

End-user training for fee setup, cashiering configurations, and common troubleshooting scenarios. Training manuals will be provided.

Speaker: Stacey Myers

11:15am - 12:45pm

Lunch Break (on your own)

12:45pm - 1:45pm

Afternoon Keynote: 2022 Support Organization Update

Join our Support Organization Leaders for an update on current support initiatives.

1:55pm

Tech Lounge

Open daily after lunch and the mid-day keynote, the Tech Lounge features stations to check out some of our offerings and speak to members of the Aumentum development team. Interact with Aumentum staff on these topics and any other questions you may have: - ODS/Analytics - GIS - Reporting - Tech Lab UX/ Usability.

1:55pm - 2:55pm

Ascend: Ascend Washington State Roundtable Discussion

ESHB 1410 and ESB 1982 - refresher overview on the required configuration for the 2023 tax year. Other topics as requested.

Speaker: David Skillin

Aumentum Tax: Cryptocurrency is Coming (All Versions)

Open discussion about cryptocurrency in the news and what adoption might mean for tax collection offices.

Speaker: Kendall Caballero

Aumentum Valuation: Creating Your Property Record Cards

Valuation has historically offered a fixed-style PRC within both 10.04 and Platform. This past year Aumentum Technologies developed a banded-style PRC in Platform that offers more flexibility to expand and contract automatically based upon the parcel objects. We will review both types of reports in this one-hour session.

customCAMA: Panel Discussion on Data Integrity

Join your peers for a panel discussion on hot topics in Data Integrity, such as Edit Checks / Reports / Dashboards Panel: **Sue Sterrett (Jefferson MO), Teresa Pulley (Duval FL)**

ProVal: GIS: A Look at JS GeoAnalyst within ProVal

A quick overview of GIS - What is it, What can you do with it? How you can leverage GIS within your CAMA system followed by a Q&A.

Speakers: Kevin Schulte and Susan Nungester

Recorder: Innovation Lab, Part 1

Join us for design and ideation sessions for the LRMS products!

Speaker: Marlys Gardner

2:55pm - 3:30pm

Refreshments and Sponsor Bingo in Exhibit Area

Join us for afternoon refreshments, including cookies and brownies, in the Exhibit Hall and check out some of the offerings that our sponsors have to increase productivity and efficiency in your office!

3:30pm - 4:30pm

Aumentum Tax: Jurisdictional Changes (Non-Platform)

Dive into how to process Jurisdictional changes in non-platform versions of Aumentum.

Speakers: Chris Laxson, Doug Storaci

Aumentum Tax: Jurisdictional Changes (Platform)

Dive into how to process Jurisdictional changes in Aumentum Platform.

Speaker: Stacia Sichler

3:30pm - 4:30pm

Aumentum Valuation: Evidence Packets - Just the Facts Please!

This session will explore the process to gather needed data to be attached to a case(s) as an Evidence Packet for use within the Case Management module.

Speakers: Haritha Yandapalli and Mindy Alexander

customCAMA: Ask the Developer!

A roundtable discussion with customCAMA's Engineering Manager, **Stephen Dunagan**.

ProVal: Best Practices: Comparables

The market approach is an essential component to any valuation system. Being able to generate comparable sales using proper adjustments, selection criteria, and weighting are sometimes confusing to set up. This session provides some best practice considerations when constructing the market approach in ProVal. We will review how to extract data, apply the results of regression coefficients, and point estimates, and apply comp selection weighting to come up with a final market indicated value for a subject property. This session is a follow up to the Demystifying Regression session.

Speaker: Daniel Fasteen, PhD

Recorder: Innovation Lab, Part 2

Join us for design and ideation sessions for the LRMS products!

5:30pm

Conference Event: Bus from Convention Center to LeMay

Meet in front of the Convention Center for your ride to the LeMay Auto Museum.

6:00pm - 9:00pm

Conference Event: Customer Appreciation at the LeMay Auto Museum

Join us for music, food and fun at LeMay - America's Car Museum (ACM), named one of USA Today's 10 Best Museums in Seattle. An international destination where families and enthusiasts gather to celebrate America's love affair with the automobile. A truly unique experience – not just for car enthusiasts! Comfortable shoes recommended.

Wednesday, October 5th

8:00am - 9:00am

Attendee Breakfast

9:00am - 9:50am

Wednesday Keynote: Thrive with Strengths

Joanna Wiesinger is the founder of Thrive with Strengths. She is a Gallup Certified Strengths Coach, a “recovering” Ph.D. chemist, TEDx speaker, and a published author. Joanna reaches beyond a one-size-fits all approach with her clients. She leans on her own “superpowers” and nearly 20 years in the strengths-based movement. Expect her to bring to you a catalytic sense of urgency with practical tools and tactics. She will help you get moving towards your goals, while celebrating the journey along the way.

9:50am - 10:20am

Sponsor Closing & Giveaways!

Make your way to the Exhibit area to find out if you’re the winner of one of the prizes from our sponsors!

10:30am - 11:30am

Ascend: Help Desk/County Topics Day 3

Annual Processing: Value Roll, Tax Levy Certification and Tax Extensions. Any other topics requested.

Speakers: David Skillin, Kurt Layman, Joy Vang

Aumentum Tax: GL Mapping Setup for Distribution (All Versions)

Demystify the dreaded GLMapping error on the distribution report.

Speaker: Thomas Parks

Aumentum Technical: Reporting Lab

How to session for creating and maintaining custom reports in all versions of Aumentum, followed up with hands-on session in the technical lab.

Aumentum Valuation: Using Data Services, Forms & Correspondence

Aumentum is customizable through various types of configuration including through the use of Data Services, Forms and Custom Correspondence. This will be an overview of the various tools available to customers within the application and how to configure and update them.

customCAMA: Free Form Open Discussion

Open time slot to cover any topics that we could not finish in the Panel Discussions

Speakers: Sue Sterrett (Jefferson, MO), Stephen Dunagan, Debbie Bush

10:30am - 11:30am

ProVal: Regression

Regression analysis is a powerful methodology used to understand the relationship of property variables that contribute to value. This session will dive into the basics of regression such as what regression can do and what it is used for, the software used in building models, specifying a model, understanding the diagnostics and residuals, and then application of the results. The application of regression results can be utilized in ProVal to adjust comps in the market approach.

Recorder: Social Media Roundtable

Come and discuss with other jurisdictions how you have successfully used social media platforms to engage your Recording office with the public.

11:30am - 1:00pm

Lunch Break (*on your own*)

1:00pm - 2:00pm

Afternoon Keynote: Public Access Upgrade Update

This session will present an overview of the Public Access roadmap. Product management will provide an update on feature development progress and showcase new features implemented on new and upgraded Public Access portals. There will be time reserved for you to provide feedback and contribute new ideas for the platform. Together, we can make Public Access a solution to help you serve your constituents better!

Speaker: Dave Wagstrom

Recorder: Meeting Minutes - What are they? How can they be used in your organization?

Did you know you can scan meeting minutes or attach supporting documents and apply OCR for Full Text Search in Recorder? Find out more in this session.

Speakers: Stacey Myers

2:10pm

Tech Lounge

Open daily after lunch and the mid-day keynote, the Tech Lounge features stations to check out some of our offerings and speak to members of the Aumentum development team. Interact with Aumentum staff on these topics and any other questions you may have: - ODS/Analytics - GIS - Reporting - Tech Lab UX/ Usability.

2:10pm - 3:10pm

Ascend: Ascend Cashiering Functional Overview

General Cashiering Overview

Speaker: David Skillin

Aumentum Tax: Aumentum Foreclosure/Deeds (Non-Platform)

This session will provide insights into how Delinquent Processing may be used to manage foreclosures and Deeds in Non-Platform Versions of Aumentum Tax.

Speaker: Paula Leal

Aumentum Tax: Business Revenue Overview (Platform)

Get a glimpse at the functionality available to assist with collections for Business Licenses and Self-reporting taxes like Transient Occupancy Tax, Cannabis Collections, and Tourist Development Tax.

Speaker: Michael Leavor

Aumentum Tax: Roll Corrections Tips & Tricks (Non-Platform)

Join this session to get some tips and tricks to help with troubleshooting Roll Correction issues on the various versions of Aumentum.

Speakers: Chris Laxson and Doug Storaci

Aumentum Valuation: Personal Property Online Filing

Review the changes that are going to be available for online filing of statements/renditions for the taxpayer and the interaction between Public Access and PPA. We will also discuss and gather input for future changes to insure ease of use for the taxpayer and the jurisdiction.

Speaker: Brandi Putoff

customCAMA: National Users Group Roundtable

A roundtable discussion for the customCAMA user group community.

ProVal: Review of Income, Part 1

A peer led review of the Income functionality within ProVal, and how they utilize it as part of their assessment practices.

Speakers: Brian Stender and Greg Himes (Canyon County)

Recorder: Choose Your Own (Training) Adventure!

Did you ever wonder what that menu item is that you've never selected? Maybe you want to know why your workflow requires certain tasks. Come with your questions and we'll do training on the spot to get you an answer and show you how to accomplish those tasks you've never quite figured out.

Speaker: Stacey Myers

3:20pm - 4:20pm

Aumentum Tax: Aumentum Analytics (All Versions)

Overview of Aumentum Analytics, what it is, how it works and how you can try it out in the Innovation lab.

Speakers: *Daniel Fasteen, PhD and Michael Leavor*

Aumentum Valuation: Legislative Changes Roundtable

Join the Product and Customer Support Teams for a roundtable discussion covering Aumentum Technologies' approach to monitoring and implementing legislative changes.

ProVal: Review of Income, Part 2

Continued review of the Income functionality within ProVal.

Speakers: *Brian Stender and Greg Himes (Canyon County)*

Recorder: LRMS Jeopardy!

It's back, and so is the crown! Who will be the next reigning champion of LRMS trivia?

5:30pm - 6:15pm

Conference Event: Pre-Banquet Reception

Have a drink and mingle before relaxing at the 2022 Amplify Banquet!

6:30pm - 8:30pm

Conference Event: Amplify 2022 Banquet

Celebrate an amazing conference with us with some great food, company, and entertainment. The Closing Banquet is always an exciting time as we present the 2022 ACE Awards and give you insight into where you're headed for next year's Amplify conference!
